Pre University College, Expert Pu College, Mangalore

June 2017 — April 2019

83%

Secondary high School, Ssslsvk, Alike, Mangalore

June 2016 — May 2017

83%

👥 INTERNSHIPS

Front End developer Intern at Let's Grow More

June 2022 — July 2022

Let's Grow More is online platform for internship in web development.

Tasks

Understanding HTML, CSS, tailwind Css and JavaScript.
Understanding of React.js

🏆 CERTIFICATIONS

React basics Meta, Coursera

March 2024

★ PROJECTS

Blog App

Overview:

Developed a comprehensive blog platform using the MERN stack (MongoDB, Express.js, React, and Node.js). The application allows users to create, edit, delete, and view blog posts, incorporating user authentication, commenting functionality, and a rich text editor for enhanced content creation. The project includes front-end and back-end development, database design, API implementation, and deployment.

Tech Stack:

Frontend: React.js

Backend: Node.js, Express.js

Database: MongoDB

Authentication: JWT (JSON Web Tokens)

Task Management App

Overview:

The Task Management App is a comprehensive application designed to streamline task

management processes. It provides users with features such as user authentication, task management, collaboration tools, and more. With functionalities like task prioritization, collaboration features, calendar integration, file attachments, time tracking, and email notifications, users can effectively manage their tasks and enhance productivity.

Tech Stack:

Frontend: React.js

Backend: Node.js, Express.js

Database: MongoDB

Authentication: JWT (JSON Web Tokens)

Email Notifications: Nodemailer

Online Job Portal

The Online Job Portal is a basic application developed to facilitate job search and recruitment processes. It allows candidates to view and apply for job openings while tracking their application status. Recruiters can post job openings, manage applications, and update application statuses.

Tech Stack:

Frontend: React.js

Backend: Node.js, Express.js

Database: MongoDB

Authentication: JWT (JSON Web Tokens)

EXTRA-CURRICULAR ACTIVITIES

- State level Basketball player
- District level table tennis player
